

Member Log-in Instructions

www.venangochamber.org

Members of the Venango Chamber are invited to create a member log-in for access to the member's only features of the chamber's website. To register:

- ü Go to the Member Log-In Tab
- ü Register (prompt at lower left hand corner)
- ü Enter your name and Chamber member business
- ü Enter a user name of your choice – You will need to be able to remember this for future login.
- ü Choose a password (again easy for you to remember)
- ü Enter code: **3761**

Wait for the Chamber to authorize you request. Once you have logged in once from the same computer, you will have access to the member feature in the future, without entering your login information each time.
